Edge to Edge Newsletter

August 2024

Hello Neighbors!

We want to thank the neighbors that came to the neighborhood meeting on July 23rd.

We received some good ideas for future projects for our neighborhood. An email will be going out soon to let everyone know about what was discussed and to get your input on the things that you would like to see done in our neighborhood. If you do not receive an email, please let us know so that we can make sure we have your correct email!

So far, we have only been delivering the newsletter to three households that do not use computers, please let us know of any more that you know of, so they are not left out!

If there are any streetlights that are not working correctly on your street, please go to psooklahoma.com and select Street Light Problem and enter the address where the lights are not working, or you can also call 1-888-218-3919 to report an issue. Hopefully with the streetlights fixed, it will help deter some of the vehicle break-ins.

Meet Romeo and Rascal

They are brothers that were adopted at five weeks and are now five years old. They are the most snuggly cats you have ever seen...and total momma's boys!! As you can tell, they have a hard life! They just might be a tad bit spoiled!! 😊
